

Let's discover how to master
this "Human game."

Assignment:

Write down all the things that get you angry, frustrated and really fire you up and why.

Then, write all the things that create the kind of passion that lights you up inside.

What inspires you and makes you come alive?

What comes so easy to you, that could you do for free, if money wasn't an issue?

What do you love most and why?

If you could change something about this world, or take a stand for something, what would it be and why?

Please take as much time as you need to really allow yourself to explore this, because there are hidden answers just waiting to be revealed, I promise!

Happy Exploring!!
